

To the St. James Family

This will be my third Christmas as a member of the St. James family. And this is a family. It is a family that works together for the good of the Church and for each other. It is a family that reaches out beyond the Church to bring support and comfort to many in the community, to those new to the community and indeed, to those new to our country. There has not been a single day when I haven't walked out of St. James with a feeling of profound joy and happiness in my heart and the feeling that I have been a witness to something very special!

The opportunity to be a part of the St. James Choir has been a blessing to me and what a marvelous group of people you are. Praising the Lord with music has always been, for me, the ultimate form of Worship. Raising my voice with what is in my heart.

I thank you all for welcoming me into your family and I must say an extra thanks to Sharon and to Bob for their effort and support, and a very special thanks to Jim. His smile and his humor are the best greeting I could ever get.

May Gods love and blessings shine upon you all each day of you lives.

With love and respect,  
Lloyd
